The regular Thorn Township Zoning Commission meeting was called to order by Marci McCauley by saying the Pledge of Allegiance to the American flag. Roll call was taken and all members were present except for Jeff Zemalong. The minutes of the November 2010 meeting were read by the zoning secretary and after no additions or corrections Rick McCance made a motion to approve the minutes as read, Jerry Nethers seconded the motion, motion passed by a voice vote of all members present.

Boat docks

Discussion resumed on the issue of boat docks and proposed zoning regulation language was reviewed. Members developed a list of regulations and this list was discussed. The secretary will type this list up, as a rough draft, for review at the next regular meeting. Discussion will continue on this after the rough draft is reviewed. Placement of the proposed language and fees were also discussed.

Open Items of Discussion

Zoning Inspector Brune suggested that a quarterly reminder to township residents of zoning be given. Inspector Brune also reported that a 4 x 8 dry erase board for the township meeting room was approved by the township trustees; the trustees will handle the purchase of this board. The following permits were issued: Garage permit on Shore Haven; a storage shed and future garage permit on King Road.

Agenda items for the next meeting were discussed and it was decided that organizational meeting, resolution amendment review, boat docks, and open items for discussion would be the agenda for the January 2011 meeting.

After no further business the meeting was adjourned by Marci McCauley at 8:25 p.m.
