The Thorn Township Zoning Commission's regular monthly meeting was called to order by Joe Blaine, who was sitting in for Chairman Rick McCance in his absence, by saying the Pledge of Allegiance to the American Flag. Roll call was taken and all members were present except Rick McCance. After dispensing of the reading of the minutes of the September 2012 meeting, they were reviewed by the members present and a motion was then made by Jeff Zemolong and seconded by Casey Casto to approve the minutes as presented. The motion passed by a unanimous vote of all members present.

Zoning Inspector Report

Inspector Brune reported that the Trustees voted and approved to pay each Zoning and BZA member \$25.00 per meeting attended. This would be paid in one payment yearly and would start in January of 2013. The amount of \$25.00 would be paid only if the member attended a meeting and if the member missed more than four (4) meetings within the year than they would not receive their yearly compensation.

Inspector Brune also reported that a letter was sent to Fireman's Park informing them that as of the date of the letter they would have to pay permit fees for any structures

Discussion was also held on Snug Harbor, Fireman's Park, and the changes to the boat dock resolutions made by the Trustees.

Open Items for Discussion

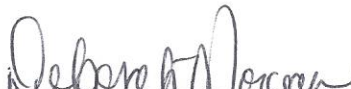

A brief discussion was held on the plan to review all sections of the zoning resolution. It was decided that all members would read the first four (4) sections of the resolution and be prepared to discuss those sections at the next regular meeting.

Casey Casto voiced concerns with a car that has been parked along the street in the Robin Wood area for over a year. Discussion was held on this issue.

After no further business the meeting was adjourned by Joe Blaine at 6:32 p.m.
